Hot and Cold Massage Gun

The traditional massage gun can only be replaced by ordinary physical massage heads.

E-COZY hot and cold massage gun is equipped with unique replaceable dual temperature massage heads.

The hot and cold massage head can realize 6 kinds of temperature adjustment.

Low temperatures can be at 10,15 and 20 degrees.

High temperatures can be at 35, 40 and 45 degrees.

- Charging Voltage: 5V, 2A
- Lithium battery capacity: 11.1V, 2400mAh
- Power: 25W
- Product Size: 156 x59 x151mm
- Master Carton: 420 x 260 x 500mm
- Gross / Net Weight: 12.5 / 11.5kg

Mini Thermal Massage Gun

- Can be connected to Mijia Bluetooth operation
 - The massage gun has fast massage frequency, strong vibration and more accurate strength. The massage can promote the liquid exchange in the fascia and eliminate or alleviate the muscle stiffness and fatigue after strenuous exercise
 - The thermal massage head can make the muscles more relaxed after exercise and fitness, so as to eliminate muscle stiffness and relieve muscle soreness caused by excessive fatigue
 - The thermal massage head has a certain heavy function, which can massage muscles deeper and more lasting
 - Vibration and thermal energy functions can be used alone, making operation more convenient
 - Hot compress function can be used for skin beauty spa to make the skin firmer, clean and transparent
-
- Charging Voltage: 5V 2A
 - Lithium battery capacity: 7.4V 2000mAh
 - Power: 15W
 - Product Size: 135 x 48 x 159mm
 - Master Carton: 470 x 390 x 430mm
 - Gross / Net Weight: 14.00/13.00 kg

Eye Massager

- An eye black technology product that innovates 16 silicone contact vibration massage technology
 - Hot compress function
 - visual design
 - 3 massage modes, 3 massage intensities and 3 adjustable temperatures
 - Adaptive audio co-vibration function, each contact moves with music
 - Lightweight design, easy to carry
-
- Charging Voltage: 5V, 1A
 - Lithium battery capacity: 3.7V 720mAh
 - Power: 6W
 - Product Size: 200x125x65mm
 - Master Carton: 420x400x300mm
 - Gross / Net Weight: 14.50/13.50 kg

Neck Massager

- Connect Mijia Bluetooth or use the remote control to operate
- TENS low frequency pulse massage integrates kneading, scraping and acupuncture
- Constant temperature hot compress, double effect soothing
- L-shaped, non sliding, 360 degree omnidirectional floating massage head, flexible fit and free movement
- Small and light, only 190g, fragment time and efficient care
- Ultra-long standby time is for 10 days

- Charging Voltage: 5V, 1A
- Lithium battery capacity: 3.7V 1400mAh
- Power: 6W
- Product Size: 148 x140 x 85mm
- Master Carton: 430 x 430 x410mm
- Gross / Net Weight: 10.5 / 9.5kg

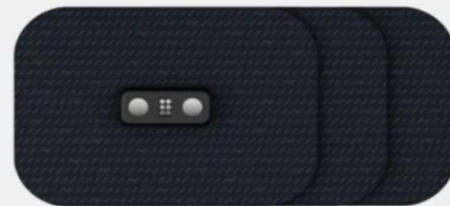

Beauty Massager

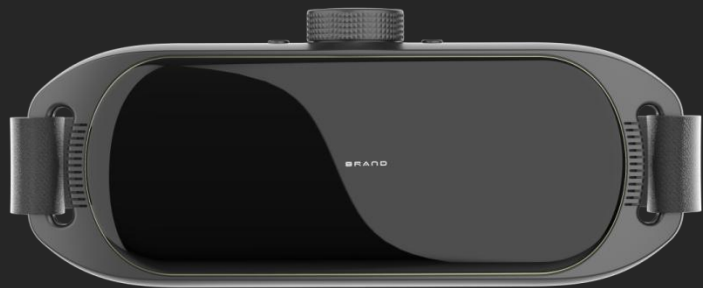

- Cold and hot beauty massage instrument is a multifunctional massage and beauty equipment. It is a patented product integrating cold and hot beauty, light wave physiotherapy and massage relaxation.
- Cold function: 3 seconds quick cooling, shrink pores, promote absorption, improve firming, whitening and skin care
- Heating function, stimulate blood fluid circulation, open pores, help skin quickly introduce various skin care products, and double skin absorption. Make the skin more elastic and moist
- Beauty head is suitable for face, eyes, neck and whole body skin
- The massage head is suitable for whole body massage. The soft silicone massage head is designed to have strong power and release passion

- Charging Voltage: 5V, 1A
- Lithium battery capacity: 3.7V 2600mAh
- Power: 6W
- Product Size: 280 x 60 x 110mm
- Master Carton: 420x 335 x 330mm
- Gross / Net Weight: 9.5 / 8.5Kg
